

Lehigh Acres Municipal Services Improvement District
Job Description

Job Title: Heavy Equipment Operator II
Department: 2-Field/Canal Maintenance
Pay Grade: 7
Reports To: Assistant District Manager
FLSA Status: Non-Exempt
Bargaining Status: Bargaining
Prepared By: David E. Lindsay
Prepared Date: 8/31/98
Approved By: Board of Commissioners
Modified Date: September 15, 2014

SUMMARY: Operates at least three types of heavy equipment, while maintaining the water control system and other infrastructure of the District. The HEO II performs the following duties, other duties may apply:

EDUCATION AND EXPERIENCE: High school diploma or general education degree (GED); AND one (1) full year of experience.

CERTIFICATES, LICENSES, REGISTRATIONS:

External Hire: Must maintain all certifications, licenses, and registrations required for the lower level HEO positions. Must possess a CDL "B" License. Must certify on three (3) types of heavy equipment within 90 days. Must complete FWPCOA Stormwater B & C or FSA I, or Sediment and Erosion Control Course within 90 days taking into consideration the budgetary requirements of the Department and the scheduling needs of the employees as determined by the Department Head and the District Manager. Must complete an approved Basic Rigging course within 90 days.

Any certifications, licenses, etc. required as part of the job is the responsibility of the employee during the 90-day probationary period; once an employee has reached regular status they may submit these certifications for reimbursement.

All licenses, certifications, etc. must be kept current and active unless otherwise documented from the department head.

Internal Hire: All certifications, licenses, and registrations required for the lower level HEO positions. Must possess a CDL "B" License. Must be certified on three (3) types of heavy equipment. Must have completed FWPCOA Stormwater B & C or FSA I, or Sediment and Erosion Control Course taking into consideration the budgetary requirements of the Department and the scheduling needs of the employees as determined by the Department Head and the District Manager. Must have completed the approved Basic Rigging course.

All licenses, certifications, etc. must be kept current and active unless otherwise documented from the department head.

SUPERVISORY RESPONSIBILITIES: May be required by management to supervise lower level field personnel.

QUALIFICATIONS: To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
